E

E. coli infections. *See* *Escherichia coli* O157:H7

Ear drops, for swimmer's ear, 802

Ear, external, 803

Ear infections (otitis externa), 801, 801–803

Ear infections (otitis media), 262, **262–264**

Earth's Best Organic baby food, 117

East Africa, dengue fever outbreaks, 233

East African trypanosomiasis, 1, 2, 3

Eastern equine encephalitis (EEE), 265, **265–268**, 266, 287

Eastern Europe

diphtheria re-emergence, 165, 242, 243, 244, 245–246

hantaviruses in, 363

syphilis in, 805

trichinellosis in, 829

tuberculosis in, 861

typhus in, 855

Ebers Papyrus, 628

Ebola hemorrhagic fever (EHF), 37, 373, 375

Ebola-Ivory Coast subtype, 271

Ebola-Reston subtype, 271, 273

Ebola-Sudan subtype, 271, 272, 275

Ebola virus, **269–275**

animal importation regulation and, 35, 37

images, 270, 372

makeshift disinfection methods, 250–251

overview, 375

patients in Uganda, 269

Reston, Virginia outbreak, 867

social inequalities and, 278

Ebola-Zaire subtype, 269, 270–271, 272

EBV. *See* Epstein-Barr virus

ECDC (European Center for Disease Prevention and Control), 213

Echinococcus multilocularis infections, 26, 26–28

Economic considerations

African sleeping sickness medications, 4

airborne precautions, 24

alveolar echinococcosis, 27

anthrax bioterrorism, 45

antiviral drugs, 446

ARV treatment distribution, 240

bioterrorism preparedness, 102–103

BSE-related meat bans, 120

cancer, 137

chickenpox vaccine, 155–156

childhood immunization programs, 161–162

CJD, 210

coccidioidomycosis outbreaks, 195

colds, 201

cryptosporidiosis outbreaks, 219–220

DDT, 567

dracunculiasis, 253

E. coli infections, 307

ear infections, 263

early plague, 631

emerging diseases, 283, 921

encephalitis, 288

filariasis, 316

food-borne illness, 319, 320

H5N1-induced culling, 671

HAART, 62

handwashing and, 359

health care, 434

hepatitis B, 380

HPV vaccine, 137

influenza, 440

IVM, 409

malaria, 279–280

neglected tropical diseases, 836

pink eye, 622

Rift Valley fever, 712

river blindness, 717

rotavirus infections, 724

rubella, 730

Salmonella infections, 735

SARS precautions, 256, 276

trachoma, 826

trichinellosis, 830

tuberculosis programs, 279, 841–842

vaccines, 871, 872–874

vector-borne diseases, 878–879

viral diseases, 884

water-borne diseases, 897

West Nile virus, 903

Economic Costs of Malaria Are Many Times Higher Than Previously Estimated (press release), 279–280

Economic development, 276, **276–280**, 277

The Economic Impact of a Bioterrorist Attack (CDC), 45

ECOSOC (United Nations Economic and Social Council), 858

Ectopic pregnancy, from *Chlamydia* infections, 168

Eczema, 393

EDCP (Epidemiology and Disease Control Program), 225

Edible vaccines, 69

Education

AIDS, 11, 667

Chlamydia infections, 170–171

helminth diseases, 370

HSV-2, 397

Lassa fever, 473

Eflornithine, for African sleeping sickness, 3–4, 239

Egars, Johnnie, 166

Egypt

bilharzia in, 95
